Adjustable
spot-to-flood beam
Infinitely variable
spot-to-flood beam

To change the bulb
unscrew and remove
the head. Turn brass
socket counter
clockwise and take off.
Push down used bulb
through socket.

STARLIGHT

360° Area Lighting: Remove the
head of flashlight - light stays on.
To use the head as a holder:
put on a table, lens down,
and put barrel into the head.
